

L.D. BELL

Blue Raider Band

State & National Champions

Dear Bell Band Family,

It is bittersweet to communicate that I have a new career path as the Director of Fine Arts for the Irving ISD.

I have loved working with the students, school, and community since 1995 as a private lessons teacher, then assistant band director for four years, and for the past seven years as the steward of the program. The great news is that the Bell Band has an amazing veteran staff in place, the best booster organization, unparalleled community support, and over 300 students that know exactly how to do band at L.D. Bell!

I regret that proper goodbyes could not happen for so many students, parents, and staff. On behalf of Gwen & Kierstyn, thank you for letting our family be part of your family; there have been so many terrific memories.

Sincerely,

Jeremy Earnhart
