Statement of Intent – Return on June 2, 2022 for entrance to the rehearsal

Dear Parent: This letter is to inform you of the membership process, calendar of events, payment schedule and eligibility requirements for the 2022-2023 L.D. Bell Blue Raider Band.

1. MEMBERSHIP

Each incoming student becomes a part of the Band, which is made up of the Hornline, Drumline, and Color Guard, (hereafter referred to as “band”) by full participation in June Training Camp and the audition process in May. Each former member continues as a part of the band by participating in training camp and auditions and settling any outstanding payments from the prior year. Auditions are held for positions in the marching drill, Drumline and Color Guard. Band members who do not earn a marching position through audition will fully participate as full member of the LD Bell Band and will be given several opportunities throughout the marching season to earn a position. A student who has experienced academic or disciplinary issues in the past may be limited in participation or denied membership at the discretion of the band director. A student who experiences difficulty with grades or disciplinary issues during the 2022-2023 season may be limited in participation or have membership revoked at the discretion of the band director.

2. CALENDAR OF EVENTS

The **L.D. Bell Blue Raider Band 2022-2023 Calendar** will be available in printed form and on the band website: www.ldbellband.org during the beginning of June. Attendance at all events is required. Please note that events (rehearsals and performances) occur during schooldays, on weekends and “student holidays.” A student failing to meet the requirements of the band calendar may be limited in participation or have membership revoked at the discretion of the band director.

3. PAYMENT SCHEDULE

The **L.D. Bell Blue Raider Band 2022-2023 Payment Schedule** is available in printed form and on the band website: www.ldbellband.org. The band encumbers payments-in-advance based on the number of students participating, so this payment schedule must be met by all who commit to being in the group. All band families are expected to meet the payment schedule or through aggressive participation in fundraising opportunities. A student not meeting the payment schedule and/or not demonstrating full commitment to the suggested earning opportunities may be limited in participation or have membership revoked at the discretion of the band director. Any student that is having difficulty maintaining the payment schedule, may have a payment extension or alteration. **Hardships should be directly communicated to the band treasurer. Communication and follow-through is key in order to maintain full participation within the program.**

Due to the nature of pre-paid operations there can be no refunds. This includes but is not limited to academic ineligibility, change in participation, or change of schedule.

4. ELIGIBILITY REQUIREMENTS

Any student experiencing difficulty with grades may be limited in participation at any time at the discretion of the band director, even if before the official period of TEA mandated ineligibility. The band director will determine the level of participation regained if the student recovers eligibility.

5. CARE OF SCHOOL ISSUED ITEMS

Any student who is issued any school owned item (instruments, equipment, uniforms, etc.) is expected to return the loaned item(s) in the condition it was issued. This includes any instrument repairs due to negligent actions and clean uniforms.
